

# FRONTGATE®

OUTFITTING AMERICA'S FINEST HOMES®

## Included in this Package:

1. Kreepstool® seat (B) (cushion attached)
2. Backrest support (A) (cushion attached)
3. 4 regular wheel assemblies
4. 2 brake wheel assemblies
5. Crescent wrench

## Installation Instructions:

### Backrest:

1. Attach the backrest (A) to the seat (B) as follows:
2. Insert backrest support ends connections (C) into seat receptacles (D) until outside lock buttons (E) touch.
3. Depress buttons (E) and insert until the buttons lock into place.

### Wheels:

1. Insert one regular wheel assembly (F) into one of the corner wheel receptacles (G) and screw clockwise until fully inserted. Use the enclosed crescent wrench (spanner) until the assembly is firmly in place. Do not over-tighten.
2. Repeat, inserting one of the other 3 regular wheel assemblies into the other 3 corner wheel receptacles.
3. Install the 2 wheels with the brake assemblies (H) in the center wheel receptacle (I) on each side. Tighten the same way as the regular wheel assemblies.

**Instructions:** The Kreepstool® can be used in the automotive, farm equipment, marine, airline, computer hardware and other industries, whenever work is required to be done from a sitting position. Lock the brakes to prevent unwanted movement and keep the brakes in the locked position while working; unlock the brakes to move around. The Kreepstool should only be used on a level surface; the braking mechanism is not intended for use on an incline.

To engage the brakes, push down on the brake wheel assembly lock, as illustrated; to release the brakes, pull up.

Push lever to engage brakes

**Caution:** This product is not intended for recreational purposes and should only be used as instructed for its intended purpose. Misuse could lead to serious personal injury. Do not stand or kneel on the product or place heavy inanimate objects on it. It is designed to support one person in a sitting position. Maximum weight capacity is 450 lbs. Any misuse of the product, other than described above may result in injury or product failure. Any product failure resulting from misuse is not the responsibility of Frontgate, its owners, employees, manufacturers, affiliates, distributors, or retailers and is not covered under any product warranty.

**Care and Maintenance:** Your Kreepstool requires no special care or > maintenance. By using the product only for its intended purpose, it will > provide years of carefree service. We do recommend that you keep it out of strong direct sun for prolonged periods of time to ensure the seat and backrest do not fade or crack. You can clean the seat and backrest with mild soap and water or a commercial vinyl cleaner.
